

SODO Neighborhood Priorities

Rank	Project #	Project	Original Request	Status
1	36	Access improvements / Utilize the ramp that comes down West of fs 36 to have elevated roadway that bypasses most of the expected congestion once travel picks up	SDOT staff	Advance to project development
2	20	Access improvement / Keep S Holgate St open for all modes between 1st and 4th Avenues and improve S Horton S	Community request, SODO Action Agenda	2020 Implementation
3	26	Maintenance / Repair potholes along the detour routes and then on routes that will be impacted by additional traffic; Consider a two-pass strategy for roadway maintenance with initial work as soon as possible and a second pass ahead of the rainy months	Community request, BIA letter	2020 Implementation
4	207	Lander St Bridge project / Accelerate the Lander St Grade Separation detour route reconstruction as much as able	Community request, BIA letter	In Progress
5	24	Drainage / Address ponding in SODO and repair vulnerable points along detour routes before the rains makes those fixes difficult or impossible	Community request	2020 Implementation
6	47420	Bike improvement / Add a bike lane on S Spokane St	SDOT staff	Bike improvements along West Seattle Bridge Trail (2020 Implementation)
7	6	Transit improvement / Improve transit service on 1st Ave S and seek other transit improvements throughout SODO	Community request	More discussion needed with Metro (2021)
8	7	Bike improvement / Rehabilitate bike paths along Alaskan Way S between the Central Business District and S Spokane St	Community request, Street Smart	2020 Implementation
9	91	Intersection improvement / Rechannelize East Marginal Way at Duwamish Ave and SW Klickitat Way intersection to better organize turning movements	SDOT staff	Advance to project development to design rechannelization (2021)
10	164/205/61211	Roadway improvement / Improve pavement conditions for freight, general transportation and bicycles	Community request, SODO Action Plan	2021 Implementation as part of E Marginal Way improvements

*Indicates support from targeted outreach efforts
